

Living Power

ONLINE BIBLE STUDY

Living...Powered by the Word

Living Power is an online Bible study that you can do in the comfort of your own home with the help of your own personal Bible teacher.

Join Christian speaker and Bible teacher, Shannon Mullins as we read through the Old and New Testaments together over the course of a year, and she explains historical background, important points and hidden truths found in God's Word.

What Makes This Unique

This study is unique because every day you *listen* to God speak. Our study book, the Bible, is actually alive and active (Hebrews 4:12), giving new strength, making the plain wise and bringing the heart joy (Psalm 19:7-8).

A Word of Caution: Every time God speaks, He creates something! As He speaks to you, He is likely to create a new work in your life.

This study will help you to:

- ✿ Develop a close, personal relationship with God
- ✿ Live confidently that God is working all things to your good
- ✿ Tap into peace and power by living a life pleasing to God
- ✿ Understand the significance of Jesus death and how His resurrection changed everything!

The Daily Teaching

Once you subscribe, an email is sent to you with a link to the brief teaching video. You can also post questions, reflections or comments online, if you like. Videos are available each day.

Videos are made available each day, Sunday through Saturday including holidays.

If you want to power your Spiritual walk, discover hidden truths in Scripture or just want for a fresh perspective on knowing God, this is for you! – Shannon Mullins

MATERIALS

We recommend that you purchase a One Year Chronological Bible (New Living Translation), which is available from your local Christian bookstore or can be found on Amazon.com for approximately \$13. It comes in regular or large print, paperback or hardback.

Even though you may have a different Bible at home, this particular version is best for the class due to its unique, easy-to-understand story telling style and chronological layout.

We also recommend that you purchase a journal to record personal notes and reflections. If you've never recorded in a journal before, give it a try! We find that members get more out of the study when they write their reflections on paper.

WHAT IF I GET BEHIND

Throughout the year, it is likely some days will be busier than others and it may be difficult to participate those days. This is perfectly normal. Keep up with the readings as best you can and rejoin the study when you are able. It's available all year!

HOW TO MAKE THE MOST OF THE STUDY

- ✿ Study at home
- ✿ Read with your kids
- ✿ Watch the videos on your lunch break
- ✿ Join us as we study a particular book of the Bible
- ✿ Or start a weekly group gathering to discuss the teachings

WHO CAN PARTICIPATE

This study is open year-round to women and men, young adults and teens. All denominations are welcome. Join anytime!
